## WE ARE PAYETTE BREWING: HAND-MADE, HIGH-QUALITY CRAFT BREWS WITH BIG TASTE & EVEN BIGGER STORIES TO SHARE.

When it comes to making uncompromising, awesome beer, we go against the grain. We are passionate, rebellious beer pioneers. We stick to our guns and venture down the road less traveled to make the best beer in The West. This isn't just our livelihood, it's our life, and we've tapped into something good.

## OUR LIFEblood

We make **independent beer for the kindred spirits**. Like us, you love beer and you love going on adventures. Payette beer is the perfect brew to take on all your excursions. Because we are independent, we have the freedom to think and brew the way we want. We are a humble company that lives a brew or die lifestyle, and we never compromise on **quality or innovation**.

We are modern pioneers who enjoy making **awesome beer** . . . from ideation to glass. Period.

Payette beer is a jumping off point for your adventures in the outdoors, with friends and family, or while hanging out in a hammock with your dog by your side. We are not an endpoint, but a **beginning**. PAYETTE BREWING: SENSES HEIGHTENED.
